www.irishfunds.ie/membership

Established in 1991 the Irish Funds Industry Association (Irish Funds) is the representative body of the international investment funds and asset management community in Ireland.

We represent fund promoters / managers, administrators, depositaries, transfer agents and professional advisory firms involved in the international funds and asset management industry in Ireland, with nearly 15,600 funds and net assets of more than €7.2 trillion.

The objective of Irish Funds is to support and complement the development of the international funds and asset management industry in Ireland, ensuring it continues to be the location of choice for the domiciling and servicing of investment funds.

Through our work with governmental and industry committees and working groups, Irish Funds contributes to and influences the development of Ireland's regulatory and legislative framework.

Irish Funds is also involved in defining market practice through the development of policy and guidance papers and the promotion of industry-specific training.

**The Voice of the Funds
and Asset Management
Industry in Ireland.**
